# **12/1: REMEMBERING**

The good and the bad--remembering is a gift through which we can re-interpret our experiences and lessons. Give yourself permission to remember everything.

**WHAT WERE YOU DOING FIVE YEARS AGO TODAY?  
AS THE HOLIDAY SEASON BEGAN?  
WHERE WERE YOU? WHO WERE YOU WITH?  
WHAT DID YOU WANT? WHAT DID YOU HAVE?**

**START A NEW TRADITION  
WITH YOUR FAMILY OR  
FRIENDS THIS SEASON TO  
HELP YOU REMEMBER THE  
BEAUTY OF NOW!**

share a blog together \* start a cookie swap \*  
host a movie night \* meet late for pancakes \*  
invite your siblings to pick out a gift for your  
parents \* get together with friends to make  
holiday decorations \* start a chain letter \* ask  
someone from each generation in your family  
to share a memory for a family keepsake journal
